ABOUT US

Core Projects Logistics (CPL)

Core Projects Logistics (CPL) is the specialized expert in freight forwarding and project logistics solutions for clients in Saudi Arabia and the Middle East.

In our business, Quality has a pragmatic interpretation as the superiority of logistics services, and we defined as being suitable for the intended purpose while satisfying customer expectations on every step of their cargo movements.

More than just a freight forwarder and customs broker, CPL work closely with our clients to customize global supply chain solutions based on the latest in freight forwarding technology and freight management strategies.
